

IT ALL STARTS HERE...

hearts, as it is the beginning point of this journey we call life. This is a high school like no other, one that teaches all its students to think creatively, to not be afraid to be different, and to make a positive impact on the world. The lessons that our students learn within the various buildings will stay with them the rest of their lives. This is why the theme of the 2018 edition of the Nauset Tides Yearbook is entitled: "It all Starts Here". This book captures how the 2017-2018 school year shaped the Nauset students, staff and community. We hope that this special book will stay with people as they go wherever this beautiful life takes them, and to be a reminder of how their lives started off here at this special school on the coast of Cape Cod.

Appreciation

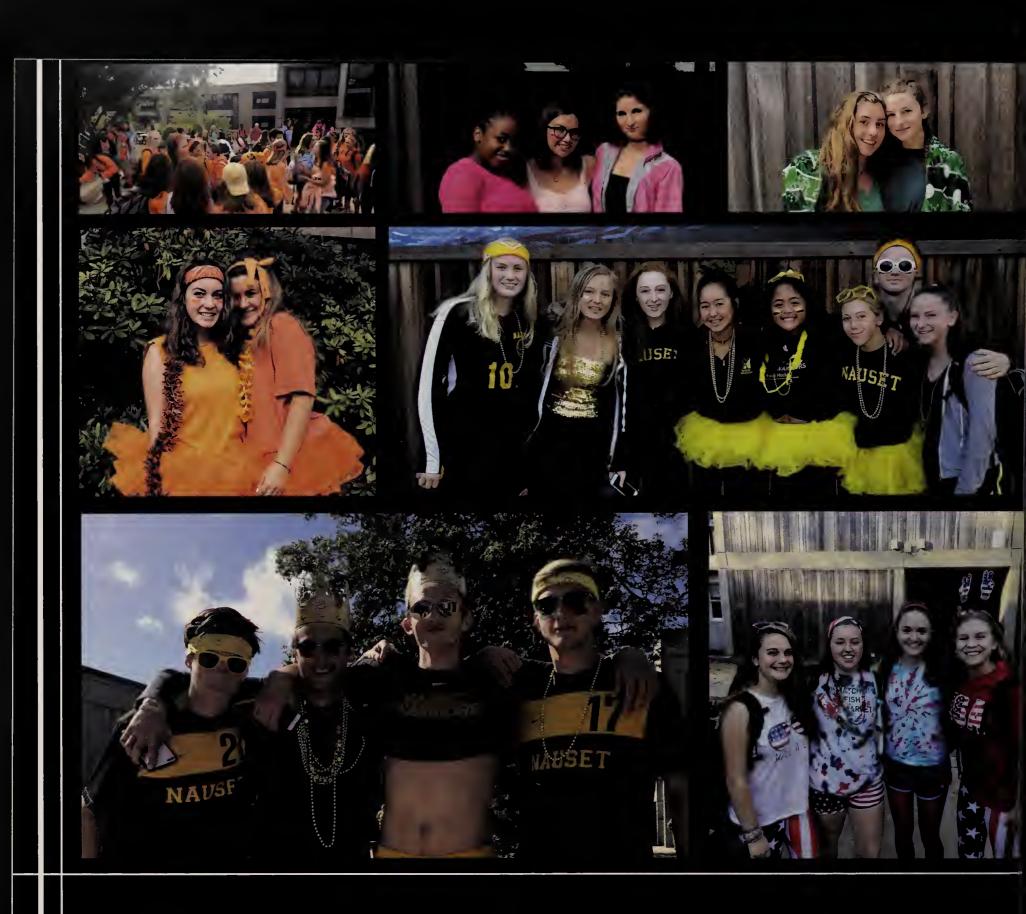

'Mr. Mac'

Born in Charlestown, MA, Mr. Mac attended Matignon High School in Cambridge. He continued his education at Springfield College where he graduated with a B.S. and later received his Masters degree at the University of Massachusetts Boston. After twelve years at Cape Cod Technical High School in Harwich, he accepted a position of both Assistant Principal and Football coach at Nauset. Since 2005, he has been a positive influence on hundreds of students and staff.

His welcoming 'open door' policy has impacted students, and has made them feel important and appreciated. Mr. Mac always has a smile on his face, and is frequently seen interacting with students in the courtyard. We will miss Mr. Mac, and wish him all the luck for the future. We are so grateful for everything he has done for Nauset!

2017 SPIBIT

his year's Spirit Week was shorter than most, but what it lacked in length was made up for in spirit. Students voted on the different theme days and decided on Holiday Wars, Color Wars, and Boston Sports Wars. Friday was the traditional Black and Gold Day. The Seniors came out victorious at the end of the week by receiving the most points for participation, the Can Drive, the banner decorating contest, and by winning the Powder Puff Game. Student Council put in a lot of hard work to plan the week and it paid off because it was one Spirit Week that will go down in Nauset history.

A Day at Nauset High School

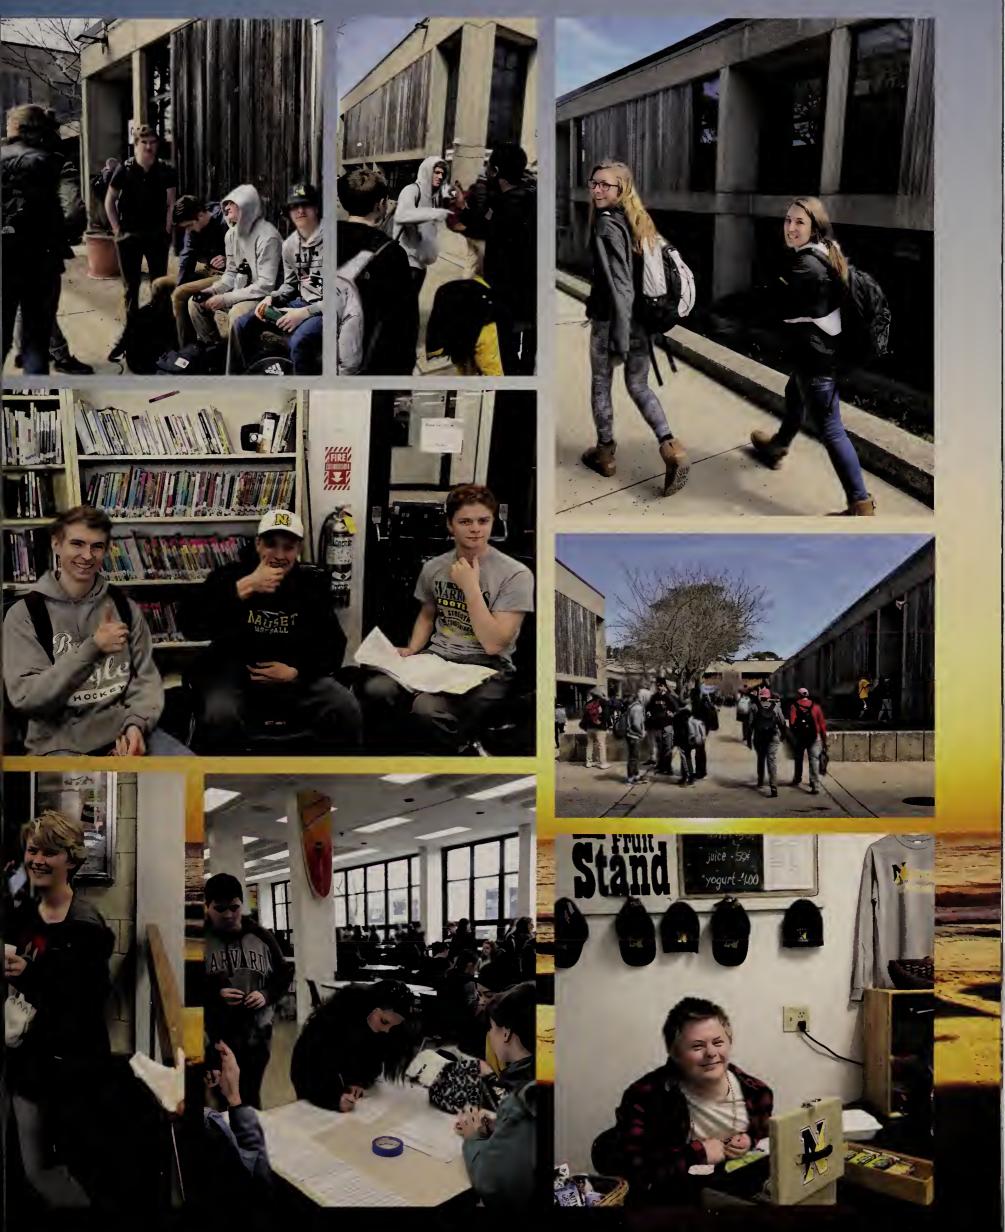

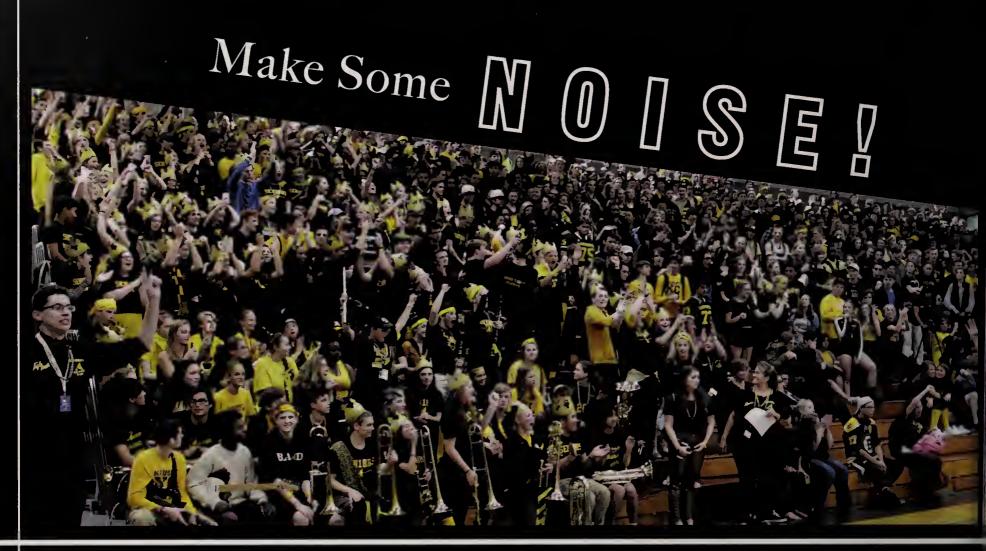

Nauset Life 7

his year Student Council added new elements to the classic pep rally. The rally started with a procession of all of Nauset's clubs and sports groups. It was followed by skits that were put together by the fall sports teams and the senior class. Each grade elected representatives to participate some friendly competitions such as charades and a life size game of word unscramble. There was also a few minutes dedicated to some of Nauset's most awarded AP scholars. To continue some traditions the senior class voted for their homecoming King and Queen and this year Jake Eldridge and Polly Watson were crowned. The staff participated in their annual match of tug and war. Overall the pep rally was an exciting time and celebrated not only sports but all of what makes Nauset great!

NAUSET

he homecoming dance is a great way to start off the school year. It is a time for students to catch up with their fellow classmates while causally sharing a dance. This year did not have a theme but Student Council did a fantastic job decorating the gym and pulling everything together. There was a photo booth and a popcorn machine for people to take picture of the unforgettable night and fuel their bodies.

ROCK THE STAGE

Risput on by Student Council every year. It is a night where all of the school's most talented singers, dancers and performers can show off some of their best acts. It is a interactive event because the audience gets involved with games and raffles. After everyone performs, students are given awards for best original song, best duet and so forth. It is a night that the whole student body looks forward to every year and this year Student Council did not fail to impress.

"The simple things in life are what make it worth living."

I'd like to specifically thank the SWS teachers, Karen Novacon and Diane Keon, for making my high school experience so enjoyable. Nauset holds almost all of my bad memories but that's ok.

Stephanie A. Aitchison

"Peace comes from within. Do not seek it without."

-Buddha

Never would I have imagined to be graduating so far from home, but after all the memories made in the past four years, I am happy to have been here.

Hunter Alexander

Shout out to all my friends that made high school great. Thanks for all the great memories over these past four years. Nauset it's been real...

Seniors

Christian W. Amaru

"You've got to start somewhere."

Going into high school, I had a negative view on life and school. But when I got into school, my perspective quickly changed. Life changed quickly, I started enjoying school, and wanting to learn more. I could not have gone this far without all the amazing teachers and friends I've had, there's no other high school I'd rather have gone to.

Julia Paige Apatow

"Jazz is like life. It goes on for longer than you think, and as soon as you're like, 'I get it', it ends."

> -Ghost of Duke Ellington, Big Mouth

Using the estimation skills I learned in math class, I think I've drank a trillion coffees, taken a million tests, given a hundred presentations, and pulled fifty all-nighters by now. More accurately, I've spent a quarter of my life so far being a student at this high school, and I'd be lucky if for the rest of it I could spend time with people like I've met here. Thanks for always grabbing lunch after school, convincing me not to drop out, and helping me through the late night study sessions. I, Julia Apatow, bequeath limitless karaoke sessions and well-dressed cucumber slices to Elise Burgess and Ally Velie.

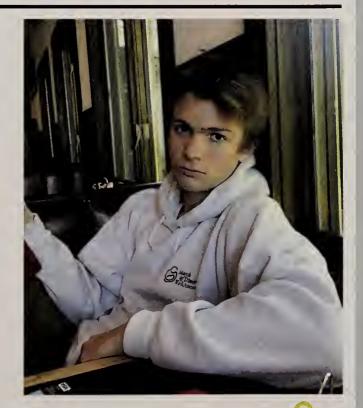

I'm the looks.

Jack Armstrong

"It's only after we've lost everything, that we're free to do anything."

Camrie Baams

"The senior quote is due today?"

I'd like to thank my family and friends for helping me through these four years of high school, especially my dance team who I'll miss the most. Mark, I'll miss visiting your class everyday! I've made some great memories these past few years. It's been real Nauset.

I, Camrie Baams, bequeath Ava Hyora ASL fun, Sams, and lemonade.

Matt Bagley

I leave Nauset High School with many great memories and lifelong friends. Moving away from the Cape for two years made me realize how great it is at Nauset. I don't think you can really appreciate what you have until you're away from it. I'm so grateful to be back here to spend my Senior year with my friends.

Amber Renee Bailey

"It always seems impossible until it's done"
- Nelson Mandela

I can't believe I'm already done. I would like to thank my parents for supporting me through anything and everything. Some days were great, and others not so much, but I could always guarantee you two would be there for me. I'd also like to thank my two older sisters, Jen + Ashley for being the best older sisters anyone could ask for, thank you for always pointing me in the right direction. And lastly, I'd like to thank Mr. Swin + Mrs. McGown for being the best teachers. You two have always been there for me through ups and downs during the school day. Good luck Class of 2018.

I, Amber Bailey, bequeath Junioritis to Savanna Deering.

Tiffany Anne Bailey

"No matter how your heart is grieving, if you keep on believing, the dreams that you wish, will come true."

-Cinderella

Congratulations to the Class of 2018. We came a long way since freshmen year, and even though I joined this school my junior year, I still feel like Nauset Regional High School is my home away from home. So thank you to all of the staff and students who have made me feel welcome. I would also like to send out a great big thank you to my grandparents for helping me when things were hard. You guys were there from the very beginning, so thank you for being there when I needed a friend or a shoulder to cry on. When I fell down, you were there to help me up and tell me that everything would be okay.

Eoin Thomas Baker

"No I've never switched classes with my twin brother. Stop asking."

I leave Nauset with only fond memories and great times. I can't express the amount of support and friendship I have received throughout my years. I'd like to thank the staff and people of Nauset for making my years here, ones to truly remember. I will miss coming here every day but I plan to move on to bigger and better things.

Liam J.Baker

"In order to find yourself, who you really are, you got to be with yourself; you got to hang out with yourself."

-Post Malone

I feel like I surrounded myself with the perfect kind of people who helped me become the person that I am proud to be. I'm just myself, that's the best way to put it.

I, Liam Baker, bequeath all recipes to Wyatt Gaynor (A.K.A Chef Wyatt)

Deandra Ballentine

Y'all, we made it. It's been a wild ride these past four years, but looking back, we've all grown to be mature an accomplished people. High school has helped me find myself and for that I am forever thankful. I'd be lying if I said I wouldn't miss it. I wish you all joy and happiness as we move on to the next chapters in our lives.

Leah Bates

"You are braver than you believe, stronger than you seem, smarter than you think, and loved more than you'll ever know."

These past four years sure have flown by, it feels like yesterday it was my first day of school as a freshman and had no idea where my classes were. Over the past four years there have been so many bittersweet moments and I am thankful for my friends who have made those moments unforgettable. I would like to thank my teachers and parents for always believing in the great things that I can accomplish.

I, Leah Bates, bequeath endless cookie eating to my side kick Delaney Smith.

Vance R. Bates

"WHY?"
-Coach McCully

The last fours years at Nauset have been an amazing experience. I'd like to thank my soccer team for some awesome seasons and great memories. To all my friends, teachers and coaches thank you for making my high school years memorable. And a big thank you to my family who has supported me very step of the way. Go Warriors!!!

I, Vance Bates, bequeath the soccer team to Abdel, Avery & Curtis and my heart to Jamison Emily Rushnak.

Mackenzie Bell

Think where man's glory most begins and ends, and say my glory was I had such friends.
-William Butler Yeats

Here we are, my last year in high school. High school was bittersweet for me, that both mended me as a person, and impeded me emotionally, but I couldn't have asked for a better experience. I want to thank Aidan, Ian and Matt for always being by my side even for the worst, and everyone else who made my high school days a blast. I also would like to thank Lisa Brown for jump starting my interests in documentary films, which I'm hoping to pursue as a career in the future.

I, Mackenzie Bell, my undying friendship and respect to Maxwell Lange. Have fun in high school bud, It'll be over before you know it.

Sonja J. Bergquist

"It's not what you look at, it's what you see" -Henry David Thoreau

These past four years have gone bye just as quickly as I heard they would. Though it is a bittersweet graduation from a place as wonderful as Nauset, I cannot think of a better place to have spent my high school career.

I, Sonja Bergquist, bequeath the 250 trees planted by the Nauset Tree Project to the class of 2022.

Emma Bersin

"All we have to decide is what to do with the time that is given to us"

-Gandalf

These last four years at Nauset have been amazing. During my time here I have learned so much, both inside and outside the classroom. Thank you to everyone who made our years at Nauset so incredible.

Seniors 📂

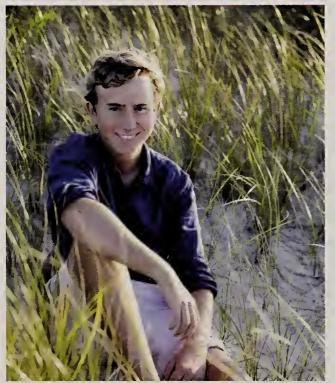

Matthew Bilancieri

"Oh my days." -Coach Ryan Nolan

I would like to thank my parents for allowing me to succeed as much as I have throughout high school and for always supporting me with whatever decisions that I would make. Also to my friends who made my high school experience one that I will always remember.

Aidan Biondi

"Have the courage to follow your heart and intuition. They somehow know what you truly want to become. Everything else is secondary."

From eating lunch on the freshman wall in all weather conditions, to sailing in frigid winter waters, I'll miss every crazy thing about my four years at Nauset. But what I will cherish most are the opportunities I had to grow as a student, as well as making amazing friendships that will be mine forever. Whether I land in California or New England, I feel lucky that my roots are in Cape Cod sand.

I, Aidan Biondi, bequeath the supreme honor of the Henri Lloyd sailing bag to Claire Theberge.

André Bois

"When the power of love overcomes the love of power the world will know peace." -Jimi Hendricx

I would like to thank my teachers, friends, and family for the many memories and continual support over these past four years.

Angela Marie Bornstein

"We learn from failure, not from success!" -Bram Stoker

Over these past four years, I have learned that everything comes and goes for a reason. I've accepted everything good that has happened to me and the bad. I've learned from my mistakes, and can't wait to learn even more. I also learned that you can't be lazy if you want things to be done because there's no one else but you! You have to do your own thing, follow your path not others, and don't attach yourself to others who don't want you to succeed.

Brian Robert Brooks

"The roof may not be my son, but I will still raise it."

I would like to thank all my coaches and teammates throughout my years at Nauset for making it as memorable as possible. Especially Moira Nobili, the Cross Country coach who was my family away from home on the trails and track for helping me through it all and helping me become who I am today along with all the others I met on the way.

I, Brian Brooks, bequeath my cornfields, Mediterranean oregano, and place as captain to Jake Pearl.

Latoya Jody-Ann Brown

"We must accept finite disappointment, but never lose infinite hope." -Martin Luther King Junior

These past four years have allowed me to blossom into a better version of myself. I've formed amazing friendships: shout-out to Joannita. I've had supportive teachers, who have inspired me to believe in myself: shout-out to Mr. Clark and Mrs. Vandersall. Special thanks to my sister for helping me through the challenges of high school. Nauset has definitely had overwhelming moments but also joyous moments. I'm grateful for Key Club and all its events. I want to thank God for all the experiences I've had and the amazing friendship I've made. To the Class of 2018, I hope you find success.

"People generally see what they look for, and hear what they listen for."

-Harper Lee

Thank you to everyone who has helped shape me into the leader that I am today. It has been an honor serving our class. I'd like to thank my friends in student council for giving me an amazing four years full of love, laughter, and leadership.

Bevin Gracie Burns

"I understand what you're saying, and your comments are valuable, but I'm gonna ignore your advice."

Thank you, Nauset for the past four years of happy memories. I am going to miss fundraising, bothering Mr. Fleming, Mr. Craven and Ms. Endich about the fundraisers, and the tennis team especially. Thank you to my family, my friends and everyone in between for giving the best four years of high school I could ask for. I can't wait to see what the next years bring for myself and my classmates. Thanks Nauset!

I, Bevin Burns, bequeath endless love and happiness to Avery Burns; and luck, to the tennis team, and fun to Gabby Dadoly.

I'd like to thank my parents, my friends, and the rest of my family for sticking with me through all of the highs and lows of senior year. Without you all, I don't know what I would do.

Claire E. Wardlaw

"I'm fine" -Ross Geller

I'd like to thank my mom and sister, Sarah, for being the best role models and always supporting me throughout the last four years. I couldn't have survived all the late nights and early mornings without my best friends, Emily and Emma, by my side. Although my years at Nauset were not always the best, they have prepared me for the exciting future ahead. I will never forget the life I've had on this beautiful, man-made island that we call home.

I, Claire Wardlaw, bequeath the best three years of high school to the amazing Grace Santos.

My four years at Nauset have given me so many amazing experiences that I am forever grateful for. I would like to thank all my teachers for believing in me and always pushing me to do better, specifically Lisa Brown, Mrs. Kobold, and Mrs. McCully for making school fun (sometimes). I'd also like to thank the girls golf team for being such amazing friends both on the green and off. Finally, thank you to my parents & amazing friends for being the most supportive that I could ask for.

This is my first year in America and it's been an amazing experience! I really appreciate American culture and Nauset did not let me down. I have lots of new friends here. We take the same lesson, join the same club, face those challenges, and enjoy the time together. This experience has given me wonderful memories and it has changed me a lot.

How the past four years went by so fast, I truly don't know. I have been given the gift of having incredible people stick by my side unconditionally and I don't know what I would have done without them. Mom and Becca, you have both shown me what undeniable strength and compassion are for the past eighteen years and I am truly blessed to have you both in my life.

"I give myself very good advice, but I very seldom follow it." -Lewis Carroll Alice in Wonderland.

Thank you so much to everyone who has made my time at nauset so enjoyable. Special thanks to my fellow glitter covered STEMinists for all the awesome trips and meetings and to the history department for making me now own more fancy pants than normal ones and to GS for her solid life advice and dog taming skills. Finally thank you so much to my amazingly quirky family for everything.

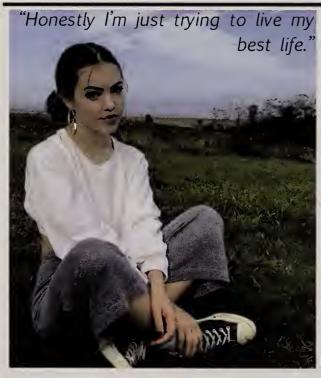

Bennett Deering

"A faithful father who teaches valuable lessons can quickly transform this perilous world into one chest full of treasure."

The way I've socially acclimated to High School cannot be attributed to most of the seniors I had known in any way. I believe that the nature of an ordinary senior is to gain some peculiar sense of dominance over those whom are younger than them. I witnessed it years ago and continue witnessing it today. It's funny, I think they all missed the point of High School! My senior year was best spent associating myself with anybody I could regardless of their class or age, and look who I am today.

Michael J. Donahue

"Live Simply"

Michael was an amazing brother, son and friend who reflected his light onto others wherever he went. He appreciated the little things, and always put others before himself. Michael went out of his way to make someone else's day better, and always had a big smile on his face. If you knew Michael, you would know that he lived whole heartedly and without fear. He definitly lived his life to the fullest, and is greatly missed by all who were lucky enough to know him.

Brad M. Liska

"Why 'B' anything, when you can B Liska?"

Brad was curious and gifted with a wide range of interests and an infectious spirit. In his life that was cut too short, he was an accomplished athlete, and a high honor student who was self disciplined. He persevered through all tasks and was eager to do his best in everything that he did. He loved computers, ski racing and playing soccer. Brad embraced life and touched so many hearts along the way. He was kind and compassionate, wiser that his years and made an impression wherever he went. He will be in our hearts always, and our lives will be forever changed just for having known him.

Jeremy S. Walters

"Be Kind"

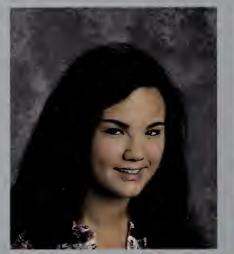

Jeremy was a natural born teacher with an insatiable appetite for knowledge, a music aficionado, a lover of dogs, a sign language enthusiast and the owner of a truly brilliant, sarcastic wit. Jez was on the autism spectrum and had struggled to be accepted in his early school years. The influence of those early experiences led Jeremy to Decome the first person to reach out; to share a smile, or to offer a hug. And so, in addition to ancient history, with an emphasis on Roman era warfare, and an appreciation for ska, Jeremy taught us all the incredible value of kindness. If you take just one lesson from this Deautiful soul, please make it: Be Kind. It will make the world a better place.

What We've Done!

Senior Officers
President: Bevin Burns
Vice President: Lily Buhler
Treasurer: Caroline Donoghue
Secretary: Ben Hoopes
Class Advisors
Ms. Endich
Mr. Fleming
Mr. Craven

This past year has been an incredibly exciting one for the Class of 2018. Countless hours of fundraising have ensured the best senior activities that we, as a class, could have hoped for. In the past four years, we have raised thousands of dollars through car washes, raffle baskets, and many more events. We learned what was successful, and what was not and focused our sights on what was possible if we all came together as a class. In the summer of 2017,we began picking out the venues for the senior prom and banquet, which was no small task. After taking the class' voice into consideration we decided on the Hyannis Resort and Conference Center for prom and Wequassett for the banquet. We have worked so hard the past few years, and we are looking forward to some fun filled nights as a class!

Class Highlights and Fundraisers

Some of the most successful fundraisers we have organized this past year were the car washes, raffle baskets for the holiday seasons, pizza sales at Homecoming, and the coffee sale fundraiser. With class pride and dedication we were able to sweep away the competition and win Homecoming week by a landslide, earning our class bragging rights and a nice donation to the class account. As a class we raised over 1,500 cans for the Lower Cape Outreach Council, which was an impressive feat.

Over the past two years, serving as your class president has been an honor. I have learned to grow, communicate, and listen to everyone's voice. Thank you for putting your confidence in me to lead our class to achieve new heights. It has been extremely humbling to play my small part in a class that is beyond amazing. The Class Executive Board of Caroline, Lily, and Ben with the help of the dedicated senate members, have been a wonderful support to the class as a whole. I truly could not have pulled off these last few years without them. And finally, a big thank you to our advisors, Ms. Endich, Mr. Craven and Mr. Fleming. We could not have been as successful as we were without your constant support and dedication to this class!

Thank you,

Bevin Burns

The Class of 2018 eollege acceptances and decisions have been nothing but impressive. This group of students has worked extremely hard for the past four years, and its all paying off as they receive acceptances to some of the top schools in the eountry. From the University of Maine to Florida State, and everywhere in between, Nauset is sending out such amazing individuals to share their knowledge and to change the world. It will be so interesting to see where they all end up, and what their futures look like! Congratulations, to the

School Within a School

School within a School is just one of many options for students here at Nauset. It was first started over twenty five years ago by members of the community in order to give students an alternative to a traditional learning experience. Over the years it has grown to be an important part of high school and will continue to improve. The teachers who run this program are Diane Keon, Karen Novacon, Julie Quigley, and Paul Davies. It is because of their enthusiasm towards teaching and learning that so many kids decide to pursue SWS. SWS combines history and English to make an interactive project and field trip based environment.

ince 2007, Bob has been a dedicated and integral member of Nauset High School as the Head of Maintenance. His long commute each morning over the bridge never interfered with his very early start of the work day. Before students and staff arrive, Bob has already addressed a variety of campus issues. Along with his normal duties, Mr. Lewis has always been quick to help, with many other things during the

year. He has assisted Student Council with Rock the Stage lighting and sound for years, as well as drama music productions, and sporting events. Mr. Lewis goes above and beyond for our school and always lends a helping hand when needed. He will be missed by all who knew him, and we will be forever grateful for everything he has done for Nauset High School these past eleven years.

In October of 2017, the Human Rights Academy hosted and co-sponsored the White Privilege Symposium, which generated a conversation regarding racial inequality in America, and the responsibility each individual has in promoting social justice.

he Human Rights Academy works to promote awareness, education, and activism surrounding social justice both on campus and beyond. This year, the Human Rights Academy has hosted white Privilege symposium, the installed a gallery promoting social justice in January, fundraised for donations to the Nauset Haiti club, attended the 2018 Women's March, the 2018 March For Our Lives (presented at the annual Martin Luther King Junior Celebration ceremony), organized the Nauset edition of the national school walkout, and educated upperclassmen on self-defense and violence.

Following the school shooting in Parkland, Florida, students all over the country and at Nauset were inspired to mobilize for change in the national gun policy. Nauset Human Rights Academy led the charge in rallying Nauset students to promote civic engagement, solidarity with the Parkland survivors, and unity regarding increased campus safety.

OUR SPORTS YEAR

ATHLETIC DIRECTOR John Mattson

ATHLETIC TRAINER Michele Pavlu and Student Intern Caroline Sullivan

ports are a great part of the Nauset community and bring everyone together as a whole. Nearly half of the enrolled students at Nauset participate in a sport, making sports a main part of student life. All of our student-athletes succeed with the help of our athletic director, John Mattson and athletic trainer, Michele Pavlu. Many of our teams excelled during their seasons, thirteen of which qualified for state tournaments in the fall and winter seasons alone. There were multiple Atlantic Coast League All-Stars from each team of each season as well. Many of our senior athletes are continuing their athletic careers that started at Nauset into college next year at division I, II, and III schools. Thank you to all of our student athletes that stay dedicated to Nauset athletics and continue to bring pride to Nauset each year. We would also like to thank the Nauset Booster Club and the support of our community for all that they do for our school's athletics.

Nauset Players A Year of Excellence

The Nauset's Drama Department performed two school productions this school year. They started the year off with the fall production of Shakespeare's Twelfth Night, directed by Judy Hammer. The spring was celebrated with the production of Chicago, directed

by senior, Andy O'Sullivan. The Nauset Players also took their forty minute production of The Yellow Boat to this year's theater competition. They placed in the preliminary round and made it into the semi-finals. They also brought home all of the set, costumes, lighting, and sound awards. A few of the performers who earned awards are Justin West, Andy O'Sullivan, and Emma Peterson. The Drama Department always brings the school to life and this year was no exception.

Follow Your Dreams Congratulations! Class of 2018

very year a dedicated group of Nauset students and staff create the Nauset Tide Yearbook. This year it was a small group of students, Elizabeth Ednie, Emily Cavanaugh, Carmen Roderick, Caroline Townsend and Michelle Henault and our advisor, Mrs. McGown. What we lacked in numbers we made up for in effort, stamina and creativity. This years editors are senior, Elizabeth Ednie and junior, Emily Cavanaugh who each brought their own unique skills to the table. Mrs. McGown, our advisor/teacher spent countless hours outside of class and on weekends making sure everything was perfect. The yearbook staff would like to extend huge thank yous to some individuals who were crucial in the production process. We would like to thank Mrs. LaBranche for always helping us, and for giving out lots of senior information, and assisting with our sales. We would also thank Ms. Lebow, for being a very helpful extra set of eyes for the senior pages, Mrs. Campbell and her very talented group of photography students, for sharing some of their best photos. Lastly, to our sports photographers, Anton Anderson and Bill Johnson for always catching our athletes at their best. We hope that this years edition brings its readers many precious memories, to remember their time here at Nauset Regional High School.

Mr. Sean Fleming

ssistant Principal, Senior Class advisor, avid Nause sports fan, actor, and friend, are only a few of the roles Mr. Fleming plays here at Nauset High School Mr. Fleming immediately comes to mind where seniors were asked which person they believe is dedicated to the school and enjoys their job. He doesn't hesitate to strike up a conversation with a student, either asking then how their game was the previous night, or how a club ward doing with an event. He genuinely cares for each individual at Nauset, and puts 110% into everything he does. From participating and performing in the 2017 Spring Musical "High School Musical" as Mr. Bolton, to announcing the plays at football games every Friday night, Mr. Fleming is at active part of our community. The Class of 2018 dedicates the 2018 Nauset Tides Yearbook to Mr. Fleming.
